[Special to The Times-Dispatch.] STAUNTON, Va., May 10.—Dr. W. S. Gregory, of Roanoke, tonight was elected grand master of the Virginia Grand Lodge, Independent Order of Odd Fellows. He has been deputy grand master. The Rev. John Lee Allison, Alexandria, deputy grand master; T. Wiley Davis, Jr., Richmond, re-elected grand secretary; Mel B. Ferguson, Richmond, re-elected grand treasurer; Guy T. Horner, of Norfolk, grand secretary to the Sovereign Grand Lodge.

At their session here today the Rebekahs elected the following officers: president, Mrs. Annie Palmer, Childress; vice-president, Mrs. Mary Pitt, Norfolk; grand secretary, Mrs. Oia J. Bunch, Lynchburg; treasurer, Mrs. Anne McVey, Norfolk.

The secretary's report on the subordinate lodges elected officers at sub-lodges: president, H. H. Murch, of Charlottesville; vice-president, Walter Pearson, Norfolk; treasurer, S. W. Patterson, of Lynchburg; secretary, W. H. Hays, of Clarendon.

**Grand Lodge at Work.**  
The opening business session of the grand lodge was held here this morning. The Rebekahs also held their business sessions morning and afternoon. Other than the election of officers, one of the most important matters before the women's branch of the order was the report at the afternoon's meeting that \$1,800 had been subscribed here today for the Rebekahs' dormitory for boys at the orphanage, at Lynchburg. It is estimated that the dormitory will cost between \$10,000 and \$15,000.

Behind closed doors and before a crowded house, about 500 members received the grand lodge degree, conferred upon them at a meeting of the grand lodge this morning. Grand Master Beverly presiding. This was one of the largest degree classes ever initiated into the grand lodge.

Immediately after adjournment of the grand lodge, the hall was thrown open to the public, and a joint meeting of the lodge and the Rebekahs was held when an interesting musical and dramatic program was given by eighty girls and boys from the Rebekahs' Home, at Lynchburg. Forty girls and four boys had made the trip from here to the Rebekahs' Home, in charge of Miss Bessie Hill, superintendent, and they presented a very attractive program.

**Give Enjoyable Program.**  
The program arranged for them was an enjoyable one, and the children carried it through with a creditable ease of manner, and touch of delivery. One hundred and fifty children are cared for by the I. O. O. F. of Virginia, in this home, and considerable interest was displayed in the children and the work of this institution at this morning's meeting.

This evening at 7 o'clock there was a parade in honor of the Odd Fellows in which participated the Cadet Corps of the Staunton Military Academy, National Guard Company, Patriarchs Militant, in uniform, and delegates in automobiles. Tomorrow's program includes a motor trip to the Graves of the Shenandoah and inspection of the Virginia State School for the Deaf and the Blind.

The most important thing that a person can do for himself is to watch the condition of his stomach and bowels. The weary eyes, the bad breath, the frequent headaches, the lassitude and listlessness, the nights of sleeplessness, the growing irritability and nervousness, the cold hands and feet, lack of appetite—all these symptoms are monitors of a deranged stomach and bowels, and give a general name is nervous debility.

Many remedies can be obtained, but the best in the opinion of most people is Plant Juice, the new herbal stomach remedy. Thousands of people have been benefited by the use of this great preparation.

Among these is Mrs. Pearl Harris, of No. 1315 West Cary Street, a popular Richmond lady, who has a wide circle of friends. She says:

"For the past two years I have been troubled with my stomach. I could not sleep at night, I was so nervous, had no appetite and could hardly keep any food in my stomach. I had tried a number of different medicines, and was under treatment for some time, but never got any relief. Finally I decided to try Plant Juice, as I had heard so much about it, and I got immediate relief. I have a good appetite, sleep well and have no more trouble whatever. I am recommending Plant Juice to all of my friends."

Plant Juice is a vegetable preparation, extracted from the roots, herbs, barks, berries and fibres of numerous medicinal plants. It is Nature's own remedy and works wonders. It gives almost immediate benefit and leads to permanent relief in practically every case where people suffer as above outlined.

## SAYS CONDITIONS SHOULD GOVERN ROAD BOND ISSUE

Tucker Declares He Is Against Move Until Economic Situation Improves.

[Special to The Times-Dispatch.] STAUNTON, Va., May 10.—Addressing the Tucker Democratic Club here tonight in the county courthouse, Harry St. George Tucker stated that he is unalterably opposed to a bond issue for \$5,000,000 for roads, providing that the economic situation remains the same as it is now. "With things as they are now, with business unsettled, labor at sea, price of farm products cut in half, and with the farmer depressed, I would never, as your Governor, consent to any raise in taxes."

Mr. Tucker said it was foolish a year ahead of time to cross the bridge before coming to it. He said that no business man would enter into a contract now for improvements on his property a year from now.
